

Grass Roots Club Safeguarding Risk Assessment (2020-2021) COVID19 Update

Match Day and Training Session Checklist

Quick Reference Guidance Notes for Players , Parents and Coaches to return to Football Training and Matches, Safely

These Notes are for Managers and Coaches of Junior Reds FC. It is the responsibility of visiting teams to adhere to the FA and Government Guidelines and refer to Junior Reds Risk Assessments in conjunction with their own. Visiting teams will therefore be responsible for recording their own track and trace information and self-assessment records for COVID19 symptoms.

Check with players and assistants that they are not symptomatic or living in a household with a possible COVID 19 infection. All players officials volunteers and spectators should undergo a self assessment for any COVID 19 symptoms before each training session or match and records maintained.

Each Junior Red Team Manager to record and retain for 21 days, self-assessment of COVID19 and attendance records of Players, Coaches, Volunteers, and Spectators.

Minimise the handling of all football associated equipment such as balls, goal posts, corner flags, linesman flags, bibs, kit bags, etc

Check that the overall group size (inclusive of coaches) being limited to 30 people and make them aware of the risks associated with the risk assessment undertaken by the club.

Support NHS test and trace efforts by collecting name and contact information on participants at both training and matches

Players should Change and Shower at Home.

Each participant to take their own water bottle, and hand sanitizer. Coaches and Volunteers to have available facial masks, in case of injury etc.

No pre-match hand shakes, team talk huddles, and goal celebrations. No shouting , spitting and minimal handling of the ball.
