

## **Junior Reds Membership subscriptions - Payment Options**

**Club Membership Reference Number.....**

**Junior Reds Santander Bank account 02028204    Sort Code 09-01-29**

There are two parts to our Membership fees – an initial joining fee and a regular monthly subscription. These can be paid in two ways – described as Option “A” or “B” below.

Our membership fees are £240 per year and we believe are the cheapest in the local football area. Managers are not paid and fees are used to hire venues; league fees; kit and equipment costs; Referee charges etc. Fees are spread equally over 12 months to ease payment.

It is important these fees are paid each month as the running costs for each team are very high. Failure will regrettably mean Club Membership will be cancelled.

### **Option “A” – Setting up electronic payment yourself at your Bank**

#### **(i) Initial Joining Fee - £25**

Please credit the Junior Reds Bank account as detailed above with £25 quoting the Club Reference number as stated above.

#### **(ii) Regular Monthly payments - £20 each month**

Please set up your own regular monthly subscription at your Bank using the BACS system. Payment is due on the first day of each month.

Please quote the Junior Reds Membership Reference stated at the top of this form.

**If Option “A” is used please provide evidence to confirm this has been correctly set – up and paid.**

### **Option “B” – Completing the Standing Order Mandate form**

#### **(i) Initial Joining Fee - £25**

Please provide a cheque or cash for £25 payable to “Junior Reds Football Club”

#### **(ii) Regular Monthly payments - £20 each month**

Please complete the attached Standing Order Mandate form and return. This form will then be presented to your Bank.

In practice the Standing Order Mandate form takes approximately 3 weeks once lodged by us with your Bank. In view of this time lapse to avoid arrears please pay the first month fee of £20 (usually September) by cash or cheque.

**This means your combined payment to start will be £45 comprising the (i) £25 Joining fee and the (ii) first month’s £20 subscription fee.**
