Declaration

I understand that if my instalment payments fall into arrears for a period greater than 2 months then my League Registration Card may be recalled by the Senior Management Committee and I will not be able to play until amounts outstanding are settled. I understand that the yearly Membership payment is £300. Payments are divided into twelve monthly instalments over the playing season from September until August. If payments cease early, I realise that I will not be eligible to reregister with the Club the following season until outstanding money has been paid.

I accept that to ensure the long-term financial stability of the Club any overpayments requiring a refund of subscriptions are restricted only to the season of membership.

***I give permission for the taking and publication of photographs of my child for use by the Club on any official literature or media coverage (e.g. website) *= Delete if consent withheld**
